With effect from the Sunday morning service on 28 February the Zoom access details will change. The new access details are shown at the end of this message. Please continue to use the existing details for all meetings until Saturday 27 February.

When joining us by Zoom instead of going directly to the service you will be held in a 'waiting room' until you are let in. This is sadly a necessary precaution following a recent incident when we were infiltrated by a number of people who subjected us to abusive comments.

OPEN DOORS

WORLD WATCH LIST:

Open Doors have asked for prayer for the persecuted church each week, based on their world watch list, taking one country each week.

<https://www.opendoorsuk.org/persecution/world-watch-list/>

Libya is in fourth place on the list. There is no freedom of speech, no freedom of religion, and no possibility of public church life in Libya. Sharing your faith publicly is illegal in Libya, and those who try to share their Christian faith with others risk violent opposition and arrest. The whole country is in a state of anarchy with no functioning central government.
