WORLD WATCH LIST LAUNCH: A CRUCIAL OPPORTUNITY

The coronavirus pandemic has had a devastating impact on all our Lives. People have lost loved ones, jobs, health, personal freedoms. But for many persecuted Christians, Covid-19 has also been used to exacerbate the discrimination they already face. In some countries, Christians have been denied food, aid and PPE simply because they are Christians. So, what can we do?

The parliamentary launch of the World Watch List on 13 January is an amazing opportunity to ensure that our MPs hear first-hand testimony from persecuted Christians about the human rights abuses they face, and understand what they can do to bring about real change.

This year, the event will be held digitally - which makes it even more convenient for MPs to attend. It also means you can watch live! You can watch the broadcast at <https://www.opendoorsuk.org/persecution/>

Scroll down till you see 'Watch on UTube'

It is still not too late to invite your MP. To do so go to the web page above and scroll down till you get to 'Invite your MP'. It takes only a few moments.

Last year, 123 MPs and parliamentarians attended this event. Please join us in praying that this year even more MPs will attend, and ask God to move in the human corridors of power on behalf of our persecuted family.

Please pray

- For wisdom for the Open Doors team preparing for the event - that all the logistics will go smoothly
- That MPs from across the parties will attend and be moved to use the influence God has given them to bring change for persecuted Christians
- For an end to the discrimination being experienced by our persecuted family.

It's not too late to invite your MP to the event, if you have not already done so. Go to opendoorsuk.org/ww/
